

Northeastern Vermont as a Current Flow / Group Re-demption Vibrational Pattern

WATERS ABOVE Junction of Moose & Passumpsic Rivers

- "Current" comes from the Latin *currere*, which means "to run."
- "Re-deem" means to "re-purchase", as in the flow of currency.
- "Re-purchase" also means to "get another grip on."

MONTPELIER / ST. JOHNSBURY / BRADFORD are equidistant and form an equilateral triangle.

BRADFORD / McINDOE FALLS / ST. JOHNSBURY are in the phi proportion, as are BRADFORD / ORANGE / MONTPELIER.
